Drink Menu

The wine tells our history, inextricably linked to the territory, our passion, which created a young brand, ambitious, dynamic and innovative in an international team; our style, the “dressing up” of the bottles and intense aroma of the intoxicating nectar made from the best grapes “(Donato Giuliani, winemaker of Teanum).

Our wines are the essence of the harmonic combination of a sustainable quality viticulture, the application of the most modern winemaking techniques and the extensive know-how of our winemaker; mixed with these elements and the result is six lines of wines that explain our territory.

Nero di Troia, Bombino, Montepulciano, Trebbiano, Falanghina, Aglianico, Merlot, Syrah, Chardonnay, Primitivo, Negroamaro: names that evoke distant origins, tell stories of men and conquest.

Expert hands look after our vines and ensure that good wine is celebrated in the glasses.

Digestivi

Misottina Grappa

Shot €8.50

Traditionally made from the pomace, (the discarded product of the winemaking process), Grappa has been around since the Middle Ages.

Italians enjoy it following a meal and some are even partil to adding it to their morning aspresso - just to ensure they get the day started on the right foot.

However we recommend you try Grappa following your meal with a nice shot of espresso.

Luxardo Limoncello

Shot €8.50

Limoncello is the second most popular liqueur in Italy. Luxardo Limoncello has an aroma that is very close to what home made batches smell like, alcohol and lemon oils. The flavour has a potential lemon kick and it has a nice mouth feel.

The alcohol content is on the low end at 27% (54 proof).
